# VIRTUAL SERVICE PACKAGES

Empty or outdated spaces can make it harder for buyers to connect with a listing. With Imagtor Virtual Staging, you can transform any room into a beautifully furnished space that highlights layout and style, helping buyers visualize the home more clearly.

Each design is tailored to the property and target audience, creating a polished presentation that captures attention and encourages faster decisions.

# VIRTUAL STAGING STYLE MODERN

Bright spaces, clean lines, and timeless sophistication define our Modern staging style. It helps buyers visualize a stylish and comfortable lifestyle in their future home.

# VIRTUAL STAGING STYLE SCANDINAVIAN

With airy interiors and warm, cozy accents, Scandinavian style creates a calm and inviting atmosphere that helps buyers feel at home.

# VIRTUAL STAGING STYLE TRADITIONAL

Highlight the charm of a classic home. Traditional staging features inviting furnishings, warm tones, and refined details that appeal to buyers who value comfort and character.

# VIRTUAL STAGING STYLE FARMHOUSE

Farmhouse staging creates warm and inviting listings. By blending rustic charm with modern comfort, it presents homes that feel both stylish and welcoming.

# VIRTUAL STAGING STYLE INDUSTRIAL

Industrial staging gives your listings a distinct urban edge. It blends modern functionality with loft inspired design to attract style conscious buyers.

# VIRTUAL STAGING STYLE COASTAL

From sunlit spaces to breezy textures, Coastal style creates a carefree, seaside vibe that lets buyers imagine their perfect beachside retreat.

# VIRTUAL STAGING STYLE LUXURY

From grand living rooms to serene master suites, Luxury style creates an aspirational lifestyle that buyers dream of. It feels timeless, refined, and unforgettable.

# VIRTUAL STAGING STYLE CONTEMPORARY

Defined by clean lines and modern elegance, Contemporary staging creates bright, functional spaces that resonate with today's buyers.

# VIRTUAL STAGING 360

With Imagtor Virtual Staging 360, we enhance panoramic images with carefully integrated furniture and decor, creating a seamless and realistic viewing experience.

Our process focuses on technical accuracy through:

- Precise perspective mapping for true spatial alignment
- Consistent scaling and proportion across the 360 view
- Lighting and shadow matching to the existing environment
- Seamless stitching and visual continuity from every angle
- Accurate placement to maintain depth and geometry

# VIRTUAL RENOVATION

Unlock the full potential of every property with ease.

With Imagtor Virtual Renovation services, you can transform spaces without cost and time of physical upgrades. We help you enhance layouts, modernize interiors and present properties in their best possible light, making it easier for buyers to visualize the possibilities.

Our services include:

- Add or remove walls
- Replace flooring / ceiling texture
- Add or change fixtures
- Replace exterior texture
- Landscaping
- Add pool
- Add or complete furniture set
- Remove objects or blemishes
